GitHub: github.com/Vaishnavi-Kirti
Email: kirtivaishnavi05@gmail.com
Mobile: +91-6299012859

Skills

Languages: Java, C/C++, Python, JavaScript
Frameworks: HTML, CSS, React.js
Tools/Platforms: MySQL, GitHub, Docker, AWS, VS Code
Soft Skills: Problem-Solving, Teamwork, Leadership, Adaptability

Project

Real- time process monitoring dashboard | GitHub Mar 2025 – Apr 2025

- Designed and developed a real-time process monitoring dashboard as part of an Operating Systems project, displaying live CPU usage, memory consumption, and active processes.
- Applied system calls and core OS concepts such as process management and scheduling to collect and analyze performance data efficiently.
- Built a structured and intuitive UI to help users easily identify high resource-consuming processes and monitor system health.
- Implemented smooth live-refresh mechanisms and optimized data handling to ensure accurate, responsive, and user-friendly performance visualization.
- **Tech:** Python, JavaScript, HTML, CSS

Book Recommendation Website | GitHub Nov 2023 – Nov 2023

- Developed a responsive and user-friendly book recommendation website featuring a clean and modern user interface to enhance overall user experience across devices.
- Designed and implemented a well-structured layout with intuitive navigation, enabling users to easily browse content while improving readability and engagement.
- Enabled users to explore curated book collections and track completed books through a personalized reading history feature, supporting better user interaction and retention Applied consistent typography, spacing, and visual hierarchy to ensure a polished and accessible user experience across devices.
- **Tech:** HTML, CSS, JavaScript

Training

Online Java Fundamentals Jun 2025 – Jul 2025

- Learned Java Fundamentals covering core Java concepts and object-oriented programming.
- Gained hands-on experience with Java basics, syntax, control structures, and programming principles.
- **Tech**: Java, OOP Concepts, Algorithms

Certificates

- Privacy and Security in Online Social Media by Swayam| **Link** Oct 2025
- Java Fundamentals by Skillstone | **Link** Aug 2025
- Python Programming by CSE Pataskala | **Link** Mar 2024
- Self-Hypnosis Mastery: Hypnosis for Personal Development by Udemy | **Link** Oct 2023

Achievements

- Completed 100 days of Leet Code problem-solving, strengthening proficiency in Data Structures and Algorithms, Competitive Coding.
- Achieved a 5-star rating in C++ on Hacker Rank, demonstrating strong problem-solving and programming proficiency.

Education

Lovely Professional University Punjab, India
Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.24*** *August 2023 - Present*

Dhanbad Public School Dhanbad, Jharkhand
Intermediate; ***Percentage: 75*** *Apr 2022 – Mar 2023*

Dhanbad Public School Dhanbad, Jharkhand
Matriculation; ***Percentage: 89*** *Apr 2020 – Mar 2021*
